NATIVEPLANTS

Annual Native Plant Materials Directory

Each year, the second issue of *Native Plants Journal* (mailed in August) is devoted to a directory of native plant growers and suppliers.

Basic Directory Listing (Free)

Every company listed in the National Nursery and Seed Directory at www.rngr.net/resources/directory is included at a **Basic Listing** Level at no charge.

Enhanced Directory Listing (\$40 for subscribers, \$65 for nonsubscribers)

Selecting the **Enhanced Listing** level allows your company to stand out with a listing that features a 125-word description, plus your company name in a larger, bolder font in a contrasting color.

To add your company, make changes to a previous listing, or run the same Enhanced Directory Listing you did last year, email journal.ads@uwpress.wisc.edu or call (608) 263-0534.
