When you buy mix from Sun Gro,

your bottom line improves with your quality of life.

Let Sun Gro be your mix provider and focus on what you love, growing plants. Sun Gro has a local sales person, grower specialist and manufacturing facility ready to work with you to find solutions to your problems. When you work with Sun Gro, you get the benefits of working with a national leader and a local supplier. Sun Gro has six mix plants in the West ready to make the exact mix to meet your needs. As the largest professional mix manufacturer in North America, Sun Gro can offer a quality mix at a competitive price, and back it up with the largest technical support team in the industry.
