REFEREED RESEARCH
- Storage time, light exposure, and physical scarification effects on *Artemisia cana* seed germination
  Autumn D Watkinson, M Anne Naeth, and Shelley Pruss
  4
- Fertilizer and container requirements of *Balsamorhiza sagittata* and *Phacelia hastata* var. *hastata* under greenhouse production
  Charissa M Bujak and Tracy A O Dougher
  15
- Development of a vegetative propagation protocol for *Asclepias tuberosa*
  Mary Lewis, Matthew Chappell, Paul A Thomas, Donglin Zhang, and Ockert Greyvenstein
  27
- Population dynamics of *Viola pedata* on deep sandy soils in a fragmented and degraded landscape
  Janet L Gehring, Caitlin Foster, and Alan Yepsen
  35

GERmplasm RELEASE
- Notice of release of seven little bluestem populations selected for canopy morphology: selected classes of germplasm
  Tim L Springer
  45
- Notice of release of Guadalupe Germplasm white tridens: a selected class of natural germplasm
  Anthony Falk, Forrest S Smith, Colin S Shackelford, John R Bow, Keith A Pawelek, John Lloyd-Reilley, Shelly D Maher, and Brandon Carr
  54

PROPROPAGATION PROTOCOL
- Propagation protocol for blowout penstemon (*Penstemon haydenii*), a federal endangered species of the Nebraska Sandhills and Wyoming
  Richard Gilbert, Tara Luna, and Greg Wright
  65
- Seed propagation protocol for endangered Shivwits milk-vetch
  Laura Schrage and Kathleen Dilley
  70

GENERAL TECHNICAL
- An assessment of the native and invasive horticultural plants sold in the mid-Atlantic region
  George Coombs, Denise Gilchrist, and Patricia Watson
  74
- Fifth summary of the native seed germination studies of Norman C Deno: species with names beginning with letters P and Q
  Prepared by Stephen L Love and Candace J Akins
  83
