

REFEREED RESEARCH

Stratification and perigynia removal improve total germination and germination speed in 3 upland prairie sedge species 120
Christina M Boeck Crew, Mark C Myers, Mark E Sherrard, Kenneth J Elgersma, Greg A Houseal, and Daryl D Smith

Vegetative propagation of Elliott's blueberry (*Vaccinium elliotii*) by hardwood cuttings 132
Qiansheng Li and Mengmeng Gu

GENERAL TECHNICAL

Curlycup gumweed (*Grindelia squarrosa* (Pursh) Dunal [Asteraceae]): a native forb candidate for inclusion in Great Basin greenstrips 138
Derek Tilley and Mary Wolf

Sixth summary of the native seed germination studies of Norman C Deno: species with names beginning with letters R through Z 150
Prepared by Stephen L Love and Candace J Akins
