

REFEREED RESEARCH

Native species richness of commercial plant vendors in the Midwestern United States 4

Jack Zinnen and Jeffrey W Matthews

A survey of native plant materials use and commercial availability in the Eastern United States 17

Sara Tangren, Edward Toth, and Shanyin Siegel

Propagation of beaked hazelnut (*Corylus cornuta*) from softwood cuttings 33
Jessica Jacqueline Hudson, Kimberly Gould, Ann Smreciu, and Dani Degenhardt

Seed collection, storage, and germination practices may affect *Viola* reintroduction outcomes 40

Sam Kilgore, Kayri Havens, Andrea Kramer, Ashlyn Lythgoe, Linda MacKechnie, and Marcello De Vitis

Effect of temperature, light, and seed provenance on germination of *Paronychia erecta* (squareflower): a native plant with ornamental potential 56
Gabriel E Campbell-Martínez, Carlee Steppe, Sandra B Wilson, Mack Thetford, and Debbie Miller

Evaluating methods to establish biodiverse pasturelands with native grasses and wildflowers 65

Shayan M Ghajar, Jennie F Wagner, Megan O'Rourke, and Benjamin F Tracy

Herbaceous mimosa persistence in grazed pasture 75

Montgomery W Alison, William D Pitman, Kun-Jun Han, and R Alan Shadow

Mapping potential butterfly milkweed (*Asclepias tuberosa*) habitat in Mississippi using Species Distribution Modeling (SDM) and Geographic Information Systems (GIS) 84

Emma R Neigel, Richard L Harkess, and Amelia AA Fox

Impact of biostimulant and cultural factors on whorled mountainmint (*Pycnanthemum verticillatum* (Michx.) Pers. var. *pilosum* (Nutt.) Cooperr.): growth performance and assessment of arthropod visitation 97

Bethany A Harris, Emilee M Poole, and Svoboda V Pennisi

PROPAGATION PROTOCOL

Propagation by means of embryo excision for endangered clay phacelia *ex situ* seed production 115

Sydney Houghton, Susan E Meyer, and Olga R Kopp

Vegetative propagation of *Ceanothus velutinus* using stem cuttings 123

Asmita Paudel, Youping Sun, Larry A Rupp, John G Carman, and Stephen L Love

GENERAL TECHNICAL

Seed production and propagation of northern bog violet (*Viola nephrophylla*) for Nokomis fritillary (*Speyeria nokomis*) butterfly habitat restoration 130

Derek Tilley, James Spencer, and Mary Wolf

BOOK REVIEW

Getting to the Heart of Science Communication: A Guide to Effective Engagement 139
