

**REFEREED RESEARCH**

- Germinating seeds of *Lesquerella perforata* and *stonensis*: substrate effects and mucilage production
Elizabeth A Fitch, Jeffrey L Walck, and Siti N Hidayati 4

- Forcing cycles speed growth and flowering in western red lily (*Lilium philadelphicum* L.)
Lisa L May 11

- Salvaging and relocating *Ambrosia pumila*
David Bainbridge 19

REFEREED RESEARCH

- Growth, flowering, and survival of firewheel (*Gaillardia pulchella* Foug.) based on seed source and growing location
Helen E Hammond, Jeffrey G Norcini, Sandra B Wilson, Richard K Schoellhorn, and Deborah L Miller 25

- Propagation protocol for rock evening primrose (*Oenothera caespitosa* Nutt.)
Tara Luna 40

- Chokecherry: Have viable seeds and eat the fruit, too!
Karen Sherwood and Kim M Wilkinson 43

REFEREED RESEARCH

- Phenotypic diversity of *Coreopsis leavenworthii* Torr. & Gray (Asteraceae)
David M Czarnecki II, Jeffrey G Norcini, and Zhanao Deng 45

- Propagation protocol for ram's head lady's slipper (*Cypripedium arietinum*)
William K Steele 58

- Propagation protocol for crimson-eyed rosemallow *Hibiscus moscheutos* L. (Malvaceae)
Leslie Hunter-Cario 65

- Equipment settings for cleaning seeds of smooth cordgrass *Spartina alterniflora* Loisel.
William Skaradek, Noel Murray, and Melissa Alvarez 69

BOOK REVIEW

- Wild Plants in Flower—Wetlands and Quiet Waters of the Midwest 74
